New Home Construction Application

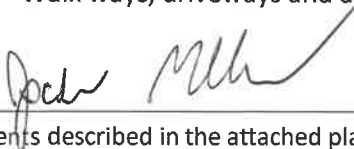

Please complete the attached Architectural Application for New Home Construction. Please send all information with deposits and fees.

Requirements for submittal for new home construction:

Two sets of professionally drawn plans and specifications for all proposed construction (initial or alterations) to be on such Lot.

Engineer's certificate on foundation plan design.

Plot plans showing the location and elevation of the improvements on the Lot and dimensions of all proposed Walk ways, driveways and all other matters relevant to architectural approval.

I (agent or builder)  request the issuance of a building permit to construct the improvements described in the attached plans and specifications. By signing this letter I certify that I have a copy of the **DECLARATIONS OF COVENANTS, CONDITIONS, AND RESTRICTIONS (CCR'S)** for the Hidden Shores at Lake Cisco Property Owners Association and that I have read and familiarized myself with those Documents. Further, I certify that the house and site design has been developed with the full knowledge of and adherence to the CCR's and that construction and jobsite conduct will proceed accordingly.

As agent or builder, I authorize the designated personnel of the Hidden Shores at Lake Cisco Property Owners Association to inspect the above described property and improvements. As agent or principle, I indemnify and hold harmless the Property Owners Association and their designees against any and all claims or loss except that of willful misdeed or gross negligence. In the event that an item of construction does not satisfy the requirements of the Hidden Shores at Lake Cisco Property Owners Association. CCR's, repair, replacement and/or augmentation of that item will be performed until that item does satisfy the requirements of Hidden Shores at Lake Cisco, LLC.

Per each application of a new home construction, a fee of two hundred and fifty dollars, \$250.00 is required. Please make check payable to Hidden Shores at Lake Cisco Property Owners Association. All maintenance and inspection fees will be paid before a Statement of Completion will be issued. Issuance of a Statement of Completion does not release the builder from any of the liability normally associated with construction and does not limit in any way the implied or actual warranties or liabilities that the builder is normally obligated.

CERTIFICATION

I (we) certify that the above information provided, constitutes a description of the proposed building, items of construction, location and site will be in accordance with the Hidden Shores at Lake Cisco Property Owners' Association DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS set forth in Hidden Shores at Lake Cisco Subdivision. I (we) further certify that the work will be completed in a timely, workmanlike manner and that the building site and adjacent areas will be free of litter and debris during construction.

City Council Approval: _____

NOTES

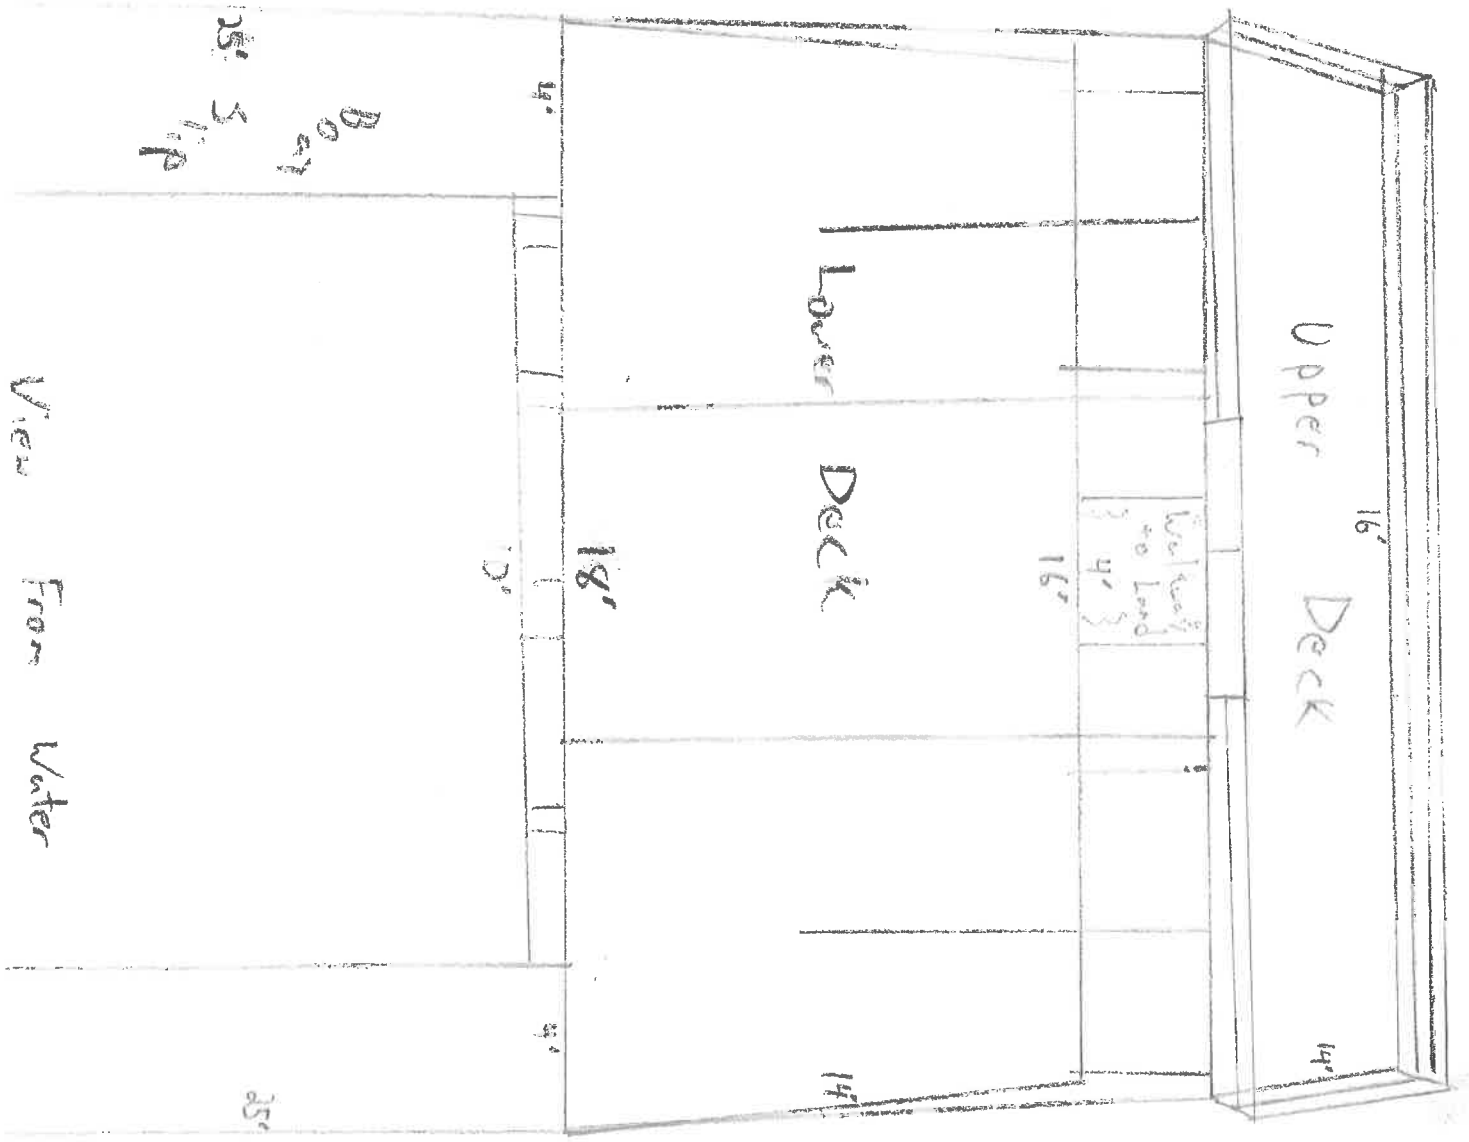

REGULATIONS

Sec. 16-25. - Lake Cisco boat dock rules and regulations.

- (a) It shall be unlawful to place or to keep a boat dock in Lake Cisco without having a lake lot lease from the city or obtaining a permit from the City of Cisco.

The annual permit fee for a boat dock permit for non-lake lot leaseholders will be \$50.00. Boat dock permits are required to be renewed annually prior to July 1st.

- (b) The term boat dock or dock shall also refer to any and all walkways, platforms, buildings, or other attachments to the dock.
- (c) All docks must be permanently and clearly marked with the owner's name or lake lot number; visible from the waterside.
- (d) All docks shall be securely anchored to the shoreline to minimize drift.
- (e) Buoyancy for any boat dock shall be provided by Styrofoam, polystyrene, or a similar flotation material that is encapsulated in an approved rustproof, noncorrosive shell (such as high impact polyethylene). Barrels, drums or other improvised flotation equipment shall not be used in constructing the boat dock.
- (f) All boat docks shall be situated as close to the center most portion of the water frontage per lot as possible so as to prevent or minimize encroachment into a neighbor's lake frontage or access to his neighbors' boat dock. All boat docks shall also be situated in such a manner to provide for and allow boat navigation.
- (g) No boat dock may extend further than eighty (80) feet into the Lake from the shoreline nor more than one-third of the distance between opposite shorelines of the lake, unless otherwise agreed to in writing by the governing body because of circumstances which make conformance with such limits impossible or impracticable. In narrow sections of the lake where the distance between opposite shorelines is one-hundred and twenty (120) feet or less, a clear channel at least forty (40) feet in width shall be maintained between the proposed boat dock and boat docks on the opposite shoreline.
- (h) All docks shall be maintained in good repair. Deteriorated or unusable docks shall be removed from the lake and/or city lake property by the owner.
- (i) Responsibility for the safety, structural soundness, and maintenance of docks shall rest entirely with the owner.
- (j) Permittee agrees that city employees may enter onto Permittee's property, at reasonable times, for the purpose of inspecting the boat dock.
- (k) The City may cancel the lake lot lease agreement, in compliance with the lease, for any boat dock not properly maintained or not meeting the requirements of these rules and regulations. (Ord. No. O-97-1, § 1(Exh. A), 2-25-97)
- (l) Violation of this ordinance may result in revocation of the boat dock permit and punishment of a fine not to exceed \$200.00 per day, per violation.
- (m) The city shall, after appropriate written notice, have the authority, through its agents and/or representatives, to remove or cause to be removed any offending boat dock. The city shall give the owner of such boat dock to be removed at least 30 days written notice of action to be taken.
- Any boat dock removed under the authority of these rules and regulations may, after reasonable notice first being given, be sold by the city to cover expenses incurred. In the event the monies derived from the sale of the boat dock are insufficient to repay the city's expenses, the owner of the boat dock shall be responsible for payment of the balance due to the city.
